SOLUTION FOR PROTECTING YOUR BUSINESS

Business Multi-risk does not only insure the business property, but also its goods, machinery, furniture and all liabilities associated with the company's business activity. This solution protects your business, either in a commercial establishment, an office, a workshop, a doctor's office, a school or an industry.

A GUARANTEE THAT COMPREHENDS ALL RISKS AFFECTING YOUR ACTIVITY

It protects your business against fire, damage caused by water, theft or robbery, as well as vandalism, injuries caused to Clients and machinery breaking down.

It guarantees third party liabilities in the case of an accident at the establishment, food poisoning or delivery of faulty products.

There are specific industrial risks covered, such as spontaneous combustion or accidental spillage.

PICK THE RIGHT CHOICE TO PROTECT YOUR BUSINESS

Basic: affordable option that covers the basic against the most common risks, such as fire or operating civil liability, although it is very complete and includes specific risks, such as vandalism.

Top: complete option with comprehensive guarantees with many optional risks and high capital, such as electrical hazards.

DIFFERENT DEDUCTIBLES BASED ON THE SIZE OF YOUR FIRM

A fixed value for smaller businesses enabling you to know beforehand, and with certainty, how much you will have to pay in the case of an incident. For larger businesses, deductibles will be based on a percentage.

INCREASE IN 50% OF STOCK CAPITAL WITHOUT ANY ADDITIONAL CHARGES FOR THREE MONTHS OF YOUR CHOICE

This allows for the value of contents to remain up-to-date during the high seasons (i.e. Christmas or beginning of school).

NEW

PROTECTION AGAINST CYBER RISKS THAT CAN SERIOUSLY AFFECT YOUR BUSINESS

Access to a computer platform, which enables you to assess the security level of your computer equipment in the case of a cyber attack.

SPECIFIC SOLUTIONS TO PROTECT DIFFERENT BUSINESS ACTIVITIES

Do you know how to ensure the safety of the people working in your agricultural holding or hotel? Are the risks that may affect the building and your business assets safeguarded? Are damages caused to third parties insured? We have the answers to these questions and the right option for you, suited to your business activity!

TOURISM

Protecting your business in the tourism sector, whether it is a hotel, a hostel, or local lodging covering risks adapted to this sector.

AGRICULTURE

Insuring risks that may affect your agricultural holding, such as storm or fire.
