---

*(a) In the percentage of copayment we apply minimum and maximum values established by each coverage. (b) Uses the same coverage limit as the inpatient and/or outpatient, if outpatient is also contracted. Access to Spain Network in Inpatient and outpatient to the US network in inpatient in any part of the world, as well as out of network (Inpatient). (c) This is the network copayment for Inpatient. The copayments for outpatient are the ones of this cover. (d) Available within the Network (in this option there is no reimbursement out of Network). (e) Both consultations are once free per insured. (f) When choosing this option increases the delivery limit to €2,500 (g) If the coverage is fixed and is used within the network, you can send the expense for reimbursement. (h) 10€ deductible per prescription. (i) Access to Spain network in Outpatient is guaranteed only if this cover is hired. (j) This cover includes multiple services in case of illness. View contractual conditions on truquipolide.pt (k) €10,000 deductible that may be paid by other health care insurance, if any.*
